

Non-CME Cadaveric Lab

Choose a track: MISS Techniques or Endoscopic Techniques

This optional non-CME cadaveric lab always sells out. Surgeons rotate between stations for hands-on experience with new technologies.

IMPORTANT NOTE: Please note the new address of the cadaveric labs:

Viticus Center Oquendo Campus
2425 East Oquendo Rd
Las Vegas, NV 89120

Requirements

Companies choose faculty & technique(s) to demonstrate and provide all necessary instrumentation and implants.

Fee includes:

- One cadaver (torso and cephalus) for the day (assume full day sponsorship) **Please note that additional specimens beyond the 1 allotted for each full-day or half-day station will be billed to you at cost. Pricing varies by specimen requests. Maximum cost is \$5300. Bovie's and other specialized equipment will also be billed back at cost. Contact us for details.**
- General instrumentation
- One standard C-arm with tech per station
- Laboratory supplies—aprons, scrubs, radiation vests
- One registration to the SMISS Annual Forum '22 for the company's chosen workshop faculty

Not included in fees:

- Travel and accommodation of company's selected faculty
- Upgraded imaging equipment

EXCLUSIVE Cadaveric Lab Policies

- Company is invited to design structure of their lab and must confirm it with SMISS at least six weeks in advance. For an optimal experience, keep station limited to a maximum of four participants, one faculty, one company rep per station at any one time.
- Exclusive lab support is counted toward each company's total support recognition level and is acknowledged on signage at the event.
- Company is responsible for inviting and confirming faculty and surgeon participants for their lab. (SMISS will provide registration list). No registration fees will be charged to participants of exclusive labs. Lists of participants must be provided to SMISS 1-2 weeks in advance.
- Exclusive labs will run concurrently with the MISS Techniques and Endoscopic Techniques labs. SMISS does not guarantee surgeon participation at exclusive labs.

Not included in fees:

- Travel and accommodation of company's selected faculty
